TUESDAY, SEPTEMBER 4TH at 6:30p.m.:**

FRANKFORT HABILITATION

Are you an inventor trying to work out just how you're going to plan to get your invention assembled and packaged - with quality control - without having to go outside the state or even the country? Then come and hear from Michael Linn, Executive Director of Frankfort Habilitation, a corporation that provides services that does just that and at the same time enhances the employability of citizens with disabilities. This proactive industrial facility allows for production of a host of various sub-contracts. Learn how to carry out one of the necessary steps of inventing that is crucial to helping you bring your idea to reality.
