### February 19th: A CKIC First! Entrepreneurs Roundtable at Bob Evans

### CKIC Announces it's First Entrepreneurs Roundtable

As our organization has grown and matured over the last several years, we have watched as an increasing number of inventors have moved forward through the invention process to a more entrepreneurial phase. These inventors, innovators and entrepreneurs are taking inventions to the marketing stage, either through manufacturing, licensing, subcontracting, and even other innovative ways. To meet the needs of this ever growing segment of our group, we would like to announce the CKIC Entrepreneurs Roundtable, an informal meeting and networking session to provide inventors, entrepreneurs and others a chance to exchange ideas and benefit from other's experiences. Hosted by Don Skaggs. If you are bringing your invention to this stage, or could provide a valuable service to those who are, please join us at 6:30 on Tuesday, February 19th at the Bob Evans on Richmond Rd near New Circle.
