Connect at the CKIC Entrepreneurs Roundtable

If you missed our last Entrepreneurs Roundtable, here's what you missed: Discussions on finding and securing domain names, web hosting services, industry trade shows and how they relate to your invention, and the importance of balancing the different business personalities we all share in business. Also, Dan Atkinson shared his journey in bringing his invention, The Grassbuster, from just an idea to a manufactured product now sold in outlets throughout the country.

The CKIC Entrepreneurs Roundtable is an informal meeting and networking session to provide market-stage inventors, entrepreneurs and others a chance to exchange ideas and benefit from other's experiences. Hosted by Don Skaggs. If you are bringing your invention to this stage, or could provide a valuable service to those who are, please join us at 6:30 on Tuesday, April 15th at the Bob Evans on Richmond Rd near New Circle.

When: Tuesday, April 15th, 2008
