Kim Sayre is the Engineering Services Manager & Assistant Director at the University of Kentucky Center for Manufacturing. She is the primary point of contact for access to the services of the center. R.J. Robinson is currently manager of the Technical Services Group and has expertise and years of experience with the technologies in his areas of responsibility, bringing a thorough understanding of day-to-day shop floor realities.

Kim manages a team of industrial extension specialists and coordinates with engineering faculty to respond to manufacturers and entrepreneurs needs. R.J. has expertise in rapid prototyping (SLA, Vacuum Casting), machining (manual and CNC), injection molding, quality, and reverse engineering for industry clients, entrepreneurs and UK faculty researchers.

- Learn About:**
- Rapid Prototyping**
- Machining**
- Injection Molding**
- Reverse Engineering**

When: Tuesday, July 1st

Where: Bluegrass Area Development Center,
699 Perimeter Drive, Lexington KY
